**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer who supports broadband competition.

I am a customer of Sonic, who provides me with faster lower cost service than is available to me by the big guys. If you give those guys what they want, it will only get worse - not better! - for me.

Please do not limit my ability to choose local, small business broadband providers who do not require me to buy a bundle (and pay a bundle!)

Sincerely,

Valerie Grove
